

North Central Electrical League's Annual

INTERNSHIP PROGRAM

An NCEL Member Benefits Program

NCEL Internship Program ~ Rules & Criteria

Any undergraduate who has completed an internship within a 12-month period, and before July 31st, at any NCEL member company, may apply for our Internship drawing!

Requirements for a qualifying internship applications include:

- *the intern must be attending or enrolled in an accredited post secondary institution studying for a technical career in the electrical industry.*
- *the intern must have completed at least 360 hours of internship work at an NCEL member company prior to applying for the internship.*
- *this internship program is available to NCEL member companies in North Dakota, South Dakota, Minnesota and Western Wisconsin only. All other areas do not apply.*
- *only undergraduates may submit applications for the internship program.*

All internship applications must include:

- *an official internship application form -- page two of this application.*
- *an essay written by the intern describing their internship experience and work performed.*
- *a letter of completion from their employer on their corporate letterhead, which includes a job description and confirmation that over 360 hours were worked.*

Applications can be submitted anytime throughout the year, with an annual July 31st deadline.

There is no limit to the number of applications submitted from each company. Although that company must be a corporate member of North Central Electrical League.

Companies are encouraged to post their internships on the NCEL website, but it is not required.

NCEL will randomly draw up to ten, \$1,500 internship winners annually.

The annual drawing will take place at the NCEL's Summit Conference in August. If less than ten qualifying applications are received, each qualifying intern will receive a \$1,500 tuition credit check, thus eliminating need for the the random drawing.

NCEL's tuition credit check will be mailed to the student intern, with the check payable to their college/technical school, no later than October 1st.
